

CFE rated Top ESG Company 2023

CFE has been named a Top-Rated ESG Company by Sustainalytics, the leading global provider of ESG research and ratings. This recognition highlights CFE's commitment to sustainable business practices and responsible management of environmental, social and governance issues.

"At CFE, we aim to bring together people, skills, materials and technology in a community of change for good," says **Raymund Trost**, CEO of CFE. "We are therefore thrilled to be recognized as a top-rated ESG company, as it highlights our commitment to minimizing our environmental impact, while also actively seeking to drive positive change in our sector."

"This is a recognition of the hard work and dedication of all our colleagues," says **Isabelle De Bruyne**, Chief Sustainability Officer of CFE. "But we want to go beyond managing our own impact by actively providing innovative solutions for some of our society's greatest challenges. Sustainable buildings, smarter industries and tomorrow's infrastructure for energy and mobility – with CFE we are ideally positioned to have a big impact for future generations."

The ranking by Sustainalytics is based on an independent and thorough assessment of companies' ESG practices and is widely recognized as a leading benchmark of corporate sustainability performance. The ranking is based on a comprehensive analysis of publicly available data, as well as on-site visits, meetings with senior management and a review of company policies and procedures.
